

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 3356 - SB 3529

February 19, 2012

SUMMARY OF BILL: Requires the Department of Health to report, by July 15 of each year, to the Senate Health and Welfare Committee and the House Health and Human Resources Committee on the risk of community-associated methicillin resistant staphylococcus aureus (MRSA) infections and provide guidance on the most current methods of recognizing and preventing these infections.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The Department is currently required to submit an advisory on community-associated MRSA infections to the Department of Education (DOE) by July 15 of each year.
- Requiring the Department to report to the selected committees, in addition to DOE, will not result in a significant fiscal impact to the state.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
